Despatch from the Right Honorable VISCOUNT CROSS, Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 24th January 1889, Public Works No. 1.

I have received Your Excellency's Public Works letter, No. 22, dated 6th November 1888, reporting that Colonel J. Pennycuick, R.E., has elected to draw full pay for the first three months of his special duty in England in connection with the selection of machinery for the Periyár project and half-pay for the remaining period, and submitting for my decision the question whether his service for future privilege leave should count from the end of the first three months of his absence, or from the date of his return to Madras.

2. In the absence of any special reason for allowing service on duty in this country to count towards leave, I see no ground for departure from the rules on the subject in the Civil Leave Code (section 17), and Colonel Pennycuick should accordingly be informed that his service for future privilege leave will count from the date of his return to Madras.

Order—dated 16th February 1889, No. 468 W., Public Works.
